A NOTE FROM THE PUBLISHER

Edmond Hamilton. For most people, this name conjures visions of two-fisted space opera—pure pulp science fiction. And Hamilton—known as the author of the Captain Future series—was indeed one of the foremost writers of pulp space opera. Over the years, as his work became more polished and sophisticated, he became far more than that: a visionary of the future whose imagination knew no bounds. He was truly a *cosmic* writer, as stories such as “Devolution” (in this collection) demonstrate.

If you are interested in pulp science fiction at its pulpiest—look no farther. Edmond Hamilton is the author for you.

Enjoy!

ABOUT THE MEGAPACK SERIES

Over the last few years, our “Megapack” series of ebook anthologies has proved to be one of our most popular endeavors. (Maybe it helps that we sometimes offer them as premiums to our mailing list!) One question we keep getting asked is, “Who’s the editor?”

The Megapacks (except where specifically credited) are a group effort. Everyone at Wildside works on them. This includes John Betancourt, Mary Wickizer Burgess, Sam Cooper, Carla Coupe, Steve Coupe, Bonner Menking, Colin Azariah-Kribbs, Robert Reginald, A. E. Warren, and many of Wildside’s authors...who often suggest stories to include (and not just their own!).

A NOTE FOR KINDLE READERS

The Kindle versions of our Megapacks employ active tables of contents for easy navigation...please look for one before writing reviews on Amazon that complain about the lack! (They are sometimes at the ends of ebooks, depending on your reader.)

RECOMMEND A FAVORITE STORY?

Do you know a great classic science fiction story, or have a favorite author whom you believe is perfect for the Megapack series? We'd love your suggestions! You can post them on our message board at <http://movies.ning.com/forum> (there is an area for Wildside Press comments).

Note: we only consider stories that have already been professionally published. This is not a market for new works.

TYPOS

Unfortunately, as hard as we try, a few typos do slip through. We update our ebooks periodically, so make sure you have the current version (or download a fresh copy if it's been sitting in your ebook reader for months.) It may have already been updated.

If you spot a new typo, please let us know. We'll fix it for everyone. You can email the publisher at wildsidepress@yahoo.com or use the message boards above.
