City of One Thousand Steeples

Welcome to Montreal, unhallowed shrine of our most glorious Sabbat. *Oui*, we're so glad you came. Walk our catacombs in search of blasphemous knowledge. Enjoy all manner of titillating diversions with our deliciously putrescent "Toy." And forget that language-barrier nonsense; we'd be delighted to hear you scream for mercy... in English or French.

City of Black Miracles

Montreal by Night is the latest in the series of "by Night" books for *Vampire: The Masquerade*. However, this book is unique because it's also the next in the *Black Dog* series. Montreal belongs to the Sabbat! We just couldn't do justice to the enemies of the Camarilla in any other way. So head north if you dare... and don't eat the red snow.

Montreal by Night Features:

- The first combination Sabbat, Black Dog and "by Night" book ever. A dark treat for every *Vampire: The Masquerade* player and Storyteller.
- New information on the Sabbat Inquisition and a brand-new Path to follow.
- A complete city setting to play with. How long does it take to destroy a place?

XXV

*Why, all the Geniuses and Sages who discuss'd
Of the Ten Commandments so learnedly, are thrust
Like foolish Prophets forth; their Words to Scorn
Are scatter'd, and their Months are stopt with Dust.*

— Omar Khayyám as translated by Edward FitzGerald, *The Rubáiyát*

Upon the shores of night she sits in a black river, resplendent beneath the artificial mantle of the citadel's torchlit stars. Tread well upon her streets, for her beauty exacts a price and her shadows breathe. Her mane shimmers with the impetus of faith and her bosom sighs like a passing ghost. Such is Montreal, the quiet city.

The mystery of this place escapes the understanding of even the most intuitive. The play cast upon her island stage begins a lethal dance dedicated to the harpy's battle wail. The dead in the city steel themselves to storms within and without, a melody so tender to the ears of sweet chaos. The coin of power has been flipped and now plummeted downward. So too must the Sabbat of Montreal travel in order to regain control. And should the coin fall too far, whether by design or fate, they may drag everyone down with them.

Special Thanks

Rob "Sullied" Hatch, for finally giving in and going to GenCon.
Ronni "Confidence Boost" Radner, for finding good in wallowing in the GenCon masses.
Rich "Two Good Eyes" Thomas, for managing not to burst a blood vessel this year.
Larry "Get Out of My Way" Snelly, for intruding on the live-action game and giving the rude sign for Dominate.
Aileen "Contains Lead, Do Not Swallow" Miles, for blowing her rent at miniatures booths.
Larry "Corporate Slave" Friedman, for knowing what Industrial to spin.
Matt "Chicken Little" Milberger, for wearing proof that the sky is falling.
The Boys from Quebec, for bringing 9%-alcohol beer that only Canada could produce.

Authors' Special Thanks to:

Nancy, Pam and Jeff for their surreal antics and help. This book is dedicated to our families, friends and loved ones, who in their unique ways allowed us to imagine and dream.
