

"My name is Ash, and I am the chosen one." – Ashley J. Williams

"sez you." – Ashley K. Williams

Ever since that fateful day when he saw his friends killed by the ultimate evil, S-Mart store clerk Ashley J. Williams has been at war with the armies of darkness. He's been transported across time to fight the evil dead, both in the past and in the future. He's traveled across dimensions, and has even been to Hell and back. But this is the first time that he's met another Ashley Williams, one from an alternate reality who believes that they are the chosen one... and is also a woman.

Enter Ashley K. Williams, a 'smart-stop' convenience store clerk who saw her boyfriend 'infected' and turned into one of the evil dead by an object from outer space. Failing to possess her as well, the alien object displaced her back in time to ancient Egypt. After seeing his image in a mystic portal, Ashley has been bouncing across time and space, driven by a singular thought: "Find Ashley J. Williams." She is everything he isn't: smart, cunning and sensitive. And she is able to control the dark force that would possess her. Her hatred of it is only exceeded by her hope that her male counterpart can help her understand her destiny.

A destiny that can only be fulfilled by the true chosen one.

For the first time ever, these two are brought together to unite against the greatest threat they have ever faced. Along the way they will battle the vengeful souls of Pharaoh's Tomb, a cadre of undead Nazi soldiers and a Yakuza warlord with a legion of deadite ninjas.

From the courts of Cleopatra, to the steamy Brazilian rainforest, to the neon-lit streets of Tokyo Japan, "Army of Darkness: Hail to the Queen, Baby!" chronicles the newest adventures of the hero from the cult-classic horror film, and introduces a new character to the AOD mythos!

This 184-page volume collects issues 1-7 of the third volume of Army of Darkness by ELLIOTT R. SERRANO, MARAT MYCHAELS (Deadpool) and DIETRICH SMITH and features all of the covers by Mychaels, and TIM SEELEY (Hack/Slash), along with a writer's commentary for issues 1 and 2 and more!

The place: somewhere in time.

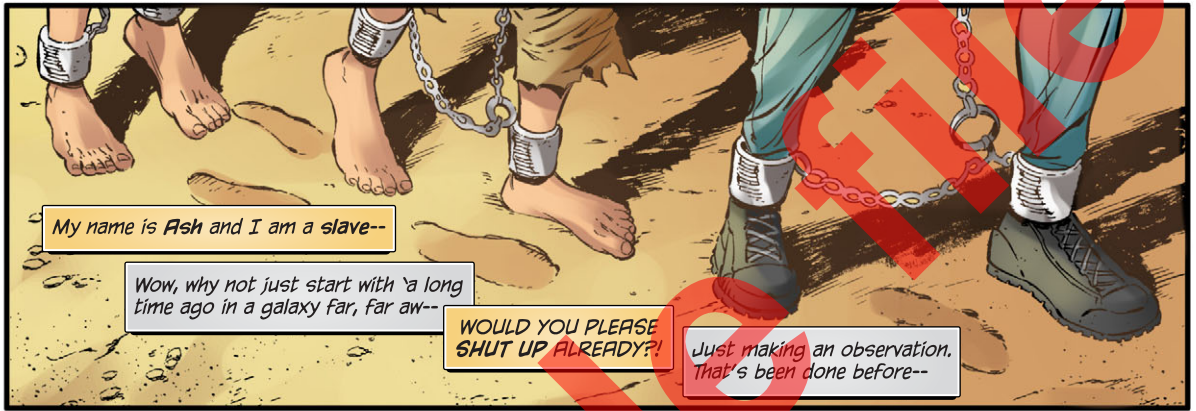

That's kind of vague, don't you think?

Who's telling the story, here?

Sigh. Go ahead. But you really need to work on your set up.

Look, when you come into the story you can tell it your way.

Deal. Proceed.

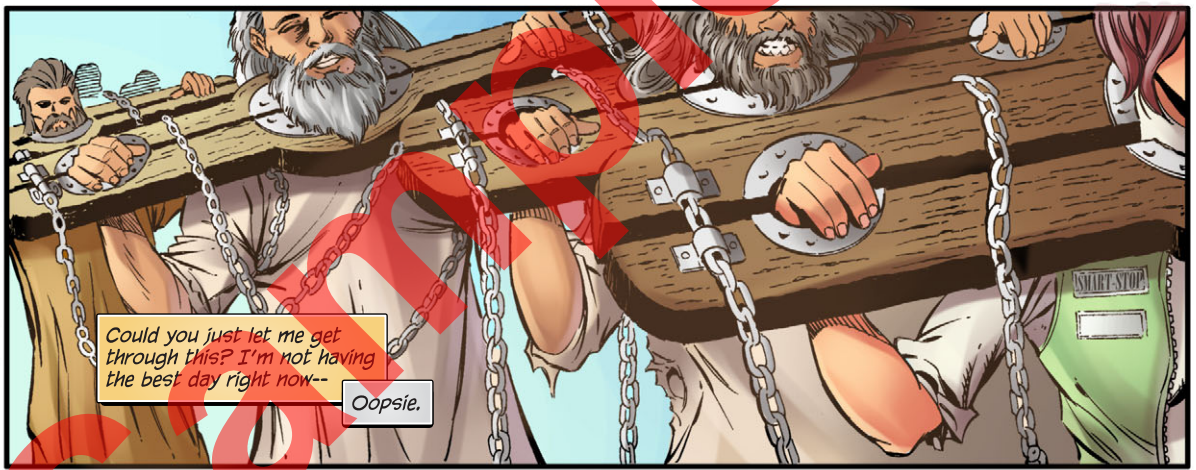

My name is Ash and I am a slave--

Wow, why not just start with 'a long time ago in a galaxy far, far aw--

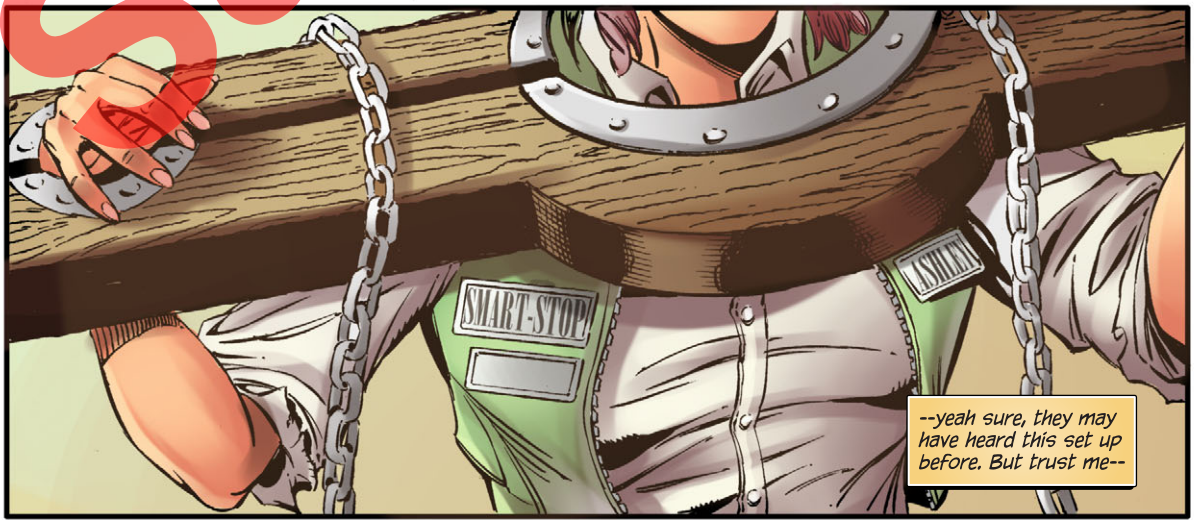

WOULD YOU PLEASE SHUT UP ALREADY?!

Just making an observation. That's been done before--

Could you just let me get through this? I'm not having the best day right now--

Oopsie.

--yeah sure, they may have heard this set up before. But trust me--
