INTRODUCTION

Super useful dreamers guide!!

CHAPTER 3

INTRODUCTION

A painting of a young girl with red hair in pigtails, sitting in tall grass. She is holding a brown teddy bear. To her left is a yellow toy car with red and blue blocks on top. In the bottom left corner, there is a red and blue beach ball. The scene is set in a field of tall, golden-brown grass with some small yellow flowers. The lighting is soft, suggesting a late afternoon or early morning setting.

Kari's Storybook

When I was young,
I **didn't understand** why people were
afraid of **MACHINES**
when all they did was sit there.

And besides,
my **parents said** long ago they used to

help people

— before The Builder
made them hurt us,
at least.

But I always thought
that was **THE BUILDER'S FAULT**
not the **MACHINES**
on their own.

Sample file

Maybe there were some that didn't want to *listen*.

Maybe there were some that were still *good*.

Then Abe WOKE UP,
and he played with me.
He didn't attack people
like Wakers did.
