SPECIAL THANKS TO:

Robert "Grand-Theft Shadow" Hatch, for his cosmic vehicular recovery techniques.
Richard "One Fluid Motion" Dansky, for a bold but vain attempt at getting some of the vomit outside the car.
Greg "Clan Lighters!" Fountain, for the idea that would not die. I get the fashion line if you get the lighters, Greg.
Andrew "Score" Bates, for unabashed birthday lechery.
Fred "Rampant Sodomite" Yelk, for his plans regarding Steve in the chess game.
Joshua "Queen of the Damned" Timbrook, for trumping my GenCon riot grrrl look with sheer sex appeal.

devouring time, blunt thou the lion's paws,
and make the earth devour her own sweet
brood

— william shakespeare, sonnet 19

death is
more than
the end of life:
it is a rebirth.

to wax poetical is fruitless,
and to garner the temporal is
folly. the curse of the blood
bears a barb as wicked as
any scimitar, for even in death the answers
bespeak more questions.

we know the pain of being dead and
yet still dying.
