Take a tour of North America with the slightly warped. Learn the ins and outs of major cities like Atlanta, Chicago, Dallas/Fort Worth, New York, San Francisco, and Washington D.C. Make your next vacation an exciting one, one they'll never forget.

*(Neo-Anarchist's!)*

The **Guide to North America** details the countries, states, and politics of Shadowrun's North America. This sourcebook covers the laws, relative costs of goods, corporate activity, and life in general across the continent in 2050.

*(what to smuggle, and to whom!) (who's bought whom, and just what are they really upto) (and how to screw it up in style)*
