**S**ure, running against the corps is hard. But there's nothing in this world slimier, colder and deadlier than taking a run for some political slag. You're pawns, toys, mice at the mercy of a fat and nasty cat. They say never trust a dragon—I say never trust a politician.

# SHADOWLAND V2.0

"I have taken all knowledge to be my province."—Francis Bacon

"Humankind cannot bear very much reality."—T. S. Eliot

## A WORD FROM OUR SPONSOR:

WOW! Can we live in a more exciting time? The boards have been abuzz since Dunkelzahn's announcement. The shadows seemed to explode overnight. Humanis is on the warpath, and anti-metahuman fervor is the highest since the Night of Rage (or so a few old-timers have told me). The Shadowland staff is working overtime trying to make sense of it all and give you the scoop as soon as we can. So check your sources and let us know *now* what's happening on the street. Things are changing so fast that information is ammunition.

### ABSENTEE BALLOTS ON THEIR WAY

The UCAS bigwigs are telling folks that absentee ballots are in the mail. Use those extra SIN numbers to send in your vote! Heck, you might win prizes! Click here for the UCAS press release.

### HUMANIS FIGHTS BACK

Everybody's favorite racists are back for more. Word on the street is, they've taken the fight to the pavement against Vogel's, Hernandez's, and even the Big D's campaign HQs. Plus the usual harassment of metahuman neighborhoods in smaller burghs throughout the UCAS. Click here to join the good fight.

### EARLY POLLS ARE IN

Gonna be a close one, folks. Dunkelzahn enters the race and takes over the lead spot with 21% of the voting public. The others follow with Brackhaven at 19%, Vogel at 18%, Yeats at 10%, Hernandez at 9% and Booth at a laughable 1%. Undecided is the big winner, just ahead of the Big D at 22%. Click here to get the breakdowns.

### WEIRD STUFF

The candidates are signed up, so click here to get the dirt only we can provide. What's with Vogel and TerraFirst? What's the deal with the Illuminates of the New Dawn? Brackhaven and Humanis ... how tight are they? Dunkelzahn—is there any dirt at all? Check us out.
